This matter is before the court on the defendants' Motion for Leave to Take Deposition of the Plaintiff (Filing No. [26](#)). The plaintiff is currently incarcerated at the Sarpy County Jail in Papillion, Nebraska.

Rule 30(a)(2)(b) of the Federal Rules of Civil Procedure states that a party must obtain leave of the court to depose a person confined in prison. The defendants request the deposition for the purpose of discovery. The plaintiff did not oppose the motion, and it appears the deposition is consistent with Rule 26(b)(2) of the Federal Rules of Civil Procedure.

IT IS ORDERED that:

1. The defendants' Motion for Leave to Take Deposition (Filing No. [26](#)) is granted. The deposition will occur at a date and time agreeable to the penal facility

where the plaintiff is housed. The location of the deposition will be a place agreeable to the administration of that penal facility.

2. The plaintiff is ordered to attend the deposition as scheduled, and must cooperate fully with the deposition process to the extent required by law.

DATED this 20th day of May, 2015.

BY THE COURT:

s/ John M. Gerrard
United States District Judge
